## Summary

I'm Muzammil Mohammed Khan and I'm a very passionate VFX artist and Animator from India with years of experience using Adobe softwares and have done more than 100+ composition contents for my instagram handle [yem4k](#) and youtube all alone.

I am a hardworking creative designer and have actively collaborated with many Visual FX Artists and clients across states and have delivered multiple freelance projects. I am so interested to work as a team to deliver amazing output and products beyond the expectations.

## Software Skills

### Adobe After effects CC - level:expert

- ★ Motion Graphics, 2D Animation.
- ★ Compositing and Tracking.

### Adobe Photoshop CC - level:expert
